1. At A Worship Arts Dance Class we offer instruction in numerous different styles, yet our specialty is professional training (ballet emphasis) and ministry (including dance ministry) preparation. Do you have any experience with dance training and/or dance ministry? If so, please describe the nature of that experience (dance ministry member, director, asst. director, choreographer, etc.) and tell us how that has equipped you to be an instructor for girls/boys seeking to become members of a dance company and/or dance ministry?
2. What styles of dance are you **most** equipped to teach? What strengths do you have in these areas that set you apart from other dance instructors?
